

Product Warranty

Coating Technologies Limited source and use the best possible raw materials procured from around the world in the manufacture of its products. The ingredients used in our products are sourced from some of the largest branded corporate suppliers globally and we are proud to incorporate them in our superior products.

Coating Technologies Limited warrants that its manufactured products, when used as specified, will perform in accordance with the claims contained on their published Technical Data Sheets.

This Warranty is subject to the applicator certifying that the substrate was suitable for the application of the specified product and/or system/s and that the applicator will provide a workmanship warranty and warrant that they (the applicator) will re-apply the specified product and/or system if repairs are necessary under the warranty. This workmanship warranty/producer statement validates this Coating Technologies Ltd warranty. (Cotec general product warranty, available at: [Coating Technologies \(cotec.co.nz\)](http://Coating Technologies (cotec.co.nz)))

These warranties apply to Prospec products supplied by Coating Technologies Ltd.

Warranty Conditions

Warranties do not cover paint film breakdown partially or wholly due to the following causes

1. Damage caused by movement of the substrate or structural cracking
2. Damage caused by hydrostatic pressure or entrapped moisture
3. Damage caused by maltreatment, such as mechanical damage, either during installation or at some subsequent time
4. Damage caused by faulty design and/or construction.
5. Failure due to faulty application
6. Natural weathering, loss of gloss, colour change or fair wear and tear
7. Heat absorption of a colour selected with an LRV of less than 40%.
8. Failure of other components not supplied by Cotec including underlying coats of paint.
9. Acts of God.

The liability of Coating Technologies Ltd under Warranty claim arising from a fault in the product supplied by Coating Technologies Ltd is limited to re-supply or products, Liability for re-application lies with the approved applicator.
